

High Performance Networks - Any Event, Trade Show, Venue

showNets Onsite Orders

Client Options for connecting to our order website
while at the Knoxville Convention Center

Connection to Available Networks

There are two networks available throughout the facility

- .Visit Knoxville
- .KCC_Expo

The Visit Knoxville Complimentary Attendee WiFi network is available in all locations except the Expo Halls and the Exhibitor WiFi is available everywhere (direct purchase of ONE-DAY wireless connection is the primary use).

Once a client connects to either network a splash screen is presented with the option to connect directly to the showNets order site via the link labelled: **To order more than 1 day of wireless or wired Internet services, please visit our website**

No purchase is necessary to reach our website

Welcome to the Knoxville Convention Center

You are required to login before you can access the internet

Plan

showNets Order Website

When the user follows the link from the splash page their destination will be <https://shows.shownets.net>.

Once the Knoxville Convention Center is selected a list of available events will be presented from which they can place an order.

The site and its functionality are exactly the same as if they connected from their home or office.
